Agenda

Agenda Item	Responsible Person	Minutes / Action
Welcome and confirmation of Minutes from previous meeting	Edwina	Previous Minutes confirmed
Farnborough beach road closed trial update	Tony	<p>Cr Belot asked for clarification of what we will be reporting to Council and group was asked for discussion.</p> <p>LSC asked group if information presented was adequate and group were happy with the data presented, they would also like the observations of the new tracks that have been created by the community even since the road closure had been implemented. Leise Childs will clarify information on this so it can also be included in the Council report.</p> <p>Once LSC Officer has completed reviewing the data it will be presented to Council</p> <p>Action: Present to Council a report to reinstating the closure time of 8:00pm to 4:00am. It will be closed to all forms of traffic unless for the launching a vessel, vessel can be launched at any location along Farnborough beach. Road closure will be for an extended period of 12 months with approved signage.</p> <p>Group had noted that vehicles utilising Farnborough beach are not being safety conscience around pedestrians using the beach also. They would like to see some form of advisory signage warning that the beach is a shared zone and caution is required.</p> <p>Action: Engineering Services will investigate what Advisory Signs LSC can use to ensure that vehicles slow down around pedestrians utilising the beach.</p>

AGENDA

Livingstone
SHIRE COUNCIL

Farnborough Beach Masterplan		Iwasaki Group stated that they are in the process of engaging a Brisbane Based Consultant in reference to future actions.
Natural Resource Management (NRM)	Leise Childs	Signage was installed at incursion sites to block off access to allow for the installation of fencing, branches etc for the trapping of sand for rectification works. Signage was also installed to stop trespassing onto Iwasaki land. Iwasaki assisted NRM in the trapping of sand to assist with rectification works.
Department of Environment and Science (DES)	Andrew Colvill	Due to technical issues with Teams Andrew was unable to share any updates.
Funding Opportunities	Tony/ Engineering Services	Neil mentioned funding for future projects. Tony Lau confirmed that funding will be handled by Engineering Services when the opportunity for applications arise.
